Proceedings of the Government of His Highness the Maharaja of Mysore (Revenue)—dated 3rd January 1894.

No. 10267-75—R. 1055, DATED, BANGALORE, 3RD JANUARY 1894.

ORDER—In supersession of all orders now in force, the Government resolve to issue the following instructions for the guidance of Deputy Commissioners in regard to the appointment of Patels.

2. Generally there should be one Patel for each village recognized as such by the Survey Department, but where the village consisted, prior to the survey, of several villages or hamlets with separate Patels for each of them, the Patels of the several villages which have been clubbed together by the Survey Department, should be allowed to continue to be Patels of those villages or hamlets, and their heirs recognized as their successors. The Government believe that there will be no difficulty in identifying the lands of the several villages clubbed together, but should there be any difficulty in the matter, the Deputy Commissioners are authorized to assign suitable area for each village and hamlet, so that the Patels may be empowered to collect the revenue of those lands and be responsible for all duties connected with them. The Potagi should be divided between the Patels in the proportion of the revenues of the areas assigned or identified as belonging to those villages.

3. Where there are two Hakdars for a single village, the Deputy Commissioners may appoint two Patels, one for Revenue duties and the other for Police duties, and divide the Potagis in the proportion of their shares in the *Hak*. Where there are more than two Hakdars, two of them may be appointed as above directed, and the other Hakdars appointed when vacancies occur, so that all of them may have their turn in office. This rule is of course subject to the condition that the men appointed are fit to hold the office, reside in the village, and hold lands in them.

4. Effect should be given to the above instructions in future on the occurrence of vacancies, and not at once, while the present incumbents are in office unless an appeal in regard to their appointment is pending disposal.

T. ANANDA ROW,
Chief Secretary.

Since Government Proceedings No. 6267-75 dated 3rd January current recently passed R. 105 enjoins that if there are two Hakdar Patils for a village and if both of them

The said order is confirmed and the appeal preferred by the appellant is dismissed. On 25.11.93 the appeal pet^n was rejected as being out of time. He on 11.12.93 presented another appeal pet^n assigning reasons for the delay in presenting it. This pet^n was admitted. The Depy Com^r after hearing the advocates of both parties, confirmed the Asst. Com^r's order on 15.6.94. On 27.8.94 pet^r appealed to Govt. On 12/2/95 Messrs Nanabhai Chellaram and Chunilal Row confirmed the D^t Com^r's order. Mr. Nanabhai Chellaram also ordered that the D^t Com^r should be requested to report for the information of Govt how it is proposed to apportion the duties between both Kakdars.

On 16.3.95, pet^r presented a pet^n to Govt saying that his appeal was disposed of without hearing his advocate and that therefore an opportunity should be given him to represent his case. The 2nd Councillor noted on the pet^n 'Notice? Place this before Mr. J. Chellaram.' The latter wrote — 'Hearing was considered

unnecessary by myself and the Central Govt. I see no sufficient grounds to grant this application. The 2nd Councillor then moved an endorsement accordingly. This letter was accordingly rejected.

On 25th Sept. presented a memorial to Sir Syfurdeen the Maharaja Regent. The grounds, as urged in the new English memorial, for reversing the decision of first are:—

(1) That the revival of another patel was opposed by the order of Col. T. Cant in 1885.

(2) That the appointment of two patels was contrary to the provisions of Survey Settlement which provide only one patel for villages of the size of the villages in question.

(3) That the nomination of a second patel is an invasion of the hereditary rights existing in this family under Native Govt.

(4) That the Govt decisions in favour of Lenja Sudah who ~~has~~ has been out of office for ~~36~~ years are erroneous

(5) That the Sanadabadi Regulations in the Deccan which are the basis for the settlement of the disputed rights of village servants bear

entry all along of the nam
the memorialists' ancestors.

the Col: J. Clerk ordered that one

Petr. has produced copies of two such
orders which are filed with the record

Linga Gowda's death, his son
Linga Gowda was only 6 years old.
The other two natural-born sons of
the deceased are younger than him
Linga Gowda. From the year 1857
they had no share in the patels.
Channa Siddi Gowda alone was
performing the duties. At the time
in 1888-89
of settlement, Meesay Linga Gowda's heirs
descendants did not raise any objection

Channa Siddi Gowda was able, their
claims could not be urged.

It will be remembered that the Dy Comr was asked to report how he proposes to apportion the duties between the two Talukas. The Dy Comr wrote ⊗ to the Sub-Divn Offices on 18/3/95. ⊗ No: 1636 of 18/3/95. (22/3/95)

The Sub-Divn Offices wrote ✕ to the Amildar asking him which of the two ways — appointing one as Revenue Patil and the other as Police Patel, or asking each to work by rotation — he would recommend. The Amildar sent his reply ✕ — There are no Thotis here to perform exclusively police or revenue duties. They the same Thotis will have to perform both duties. These two patils are not on good terms with each other. Therefore if one is appointed as Revenue Patil and the other as police patil, both would require the services of the same Thotis. Thus the work of each dept would suffer and the Thotis would be put to much inconvenience. Therefore the patils may be ordered to perform the Sarkar duties together; or they may be asked to work by rotation for a period of 2 or 3 years each.

The humble memorial of Linge
gowdah of Doddagarudahalli
Hobli in Nagamangala Taluk Mysore District

May it please your Highness

That the memorialist's father
Channadodegowdah was Patel of the
said village the office having continued
in his family for two centuries past
as borne out by the Kandaya of Sixteen Fanam
in his possession. In 1867, one Hire-
Gowdah, who was jointly doing
the duties with the memorialist's father,
died, and then the deceased's brother
Jogegowdah's application to be appointed
as successor to the deceased was reject-
ed by Col. K. Clerk the Comr of the Nala-
tagram Division, on the ground that
only one Patel sufficed as the village
was small.

That since then the memorialist's
father remained the only Patel for the
village. In 1876 the said Hire Linge
gowdah's son Linegowdah urged his
claims to succeed his late father as
Patel but they were discountenanced
by the Hy Comr an order having been
passed

× Jogegowdah's petition dt 14 Dec 1867 & 20th Dec 1867 & the last thereon.

passed by him in much the same terms as the order of Col. Clerk in 1887. The said Langegowdah reasserted his claims in 1892 and the then Amildar Lingappa very strongly the same the then District Officer backed on to his predecessor's order a clause that the claimant Langegowdah's case would receive consideration after the existing Patels lifetime

That thus provided with a hold to enforce a different Office and to nullify the original order of the District Court in 1887, Langegowdah waited for a fitting opportunity. Accordingly in 1893 the Memorialist's father died and the Memorialist applied for his name to be substituted as Patel of the village. Correspondence ensued between the Sub: Div Officer and the Amildar, and in spite of the protestations of the latter that only one Patel did well all along for a period of 86 years, and that associating another with the Patel already existing, small as the village is, would lead to friction hampering the performance of Govt work, the former appointed both the Memorialist and Langegowdah as Patels.

That the Memorialist appealed against this to the Dy Comr but he concurred in the decision of the Sub Division Officer. He lodged a further appeal to the Government in

That thus defeated in his attempt to obtain justice the Memorialist with humble submission kneels down before the sacred throne of his Sovereign and most respectfully begs to this appeal to your Highness on the following grounds humbly trusting that the Royal pleasure will condescend to do him that justice for which he has been vainly seeking these three years at great expense and inconvenience to the unavoidable neglect of cultivation, the means of his subsistence:—

1 That the recent another Patel was appointed to the order of Colonel Clerk in 1867

2 That the appointment of two Patels was contrary to the Survey Policy, rules which prescribe only one Patel for villages of the size of the village in question

3 That the nomination of a 2nd Patel to an invasion of the Memorialists hereditary right vesting in him by virtue of Sepoy Sultan's Sanad

4. That the Dy Comrs assumes in favor of Lunsendale who as shown above has been out of office for 3 6 years are erroneous and
